Sports Day

Thank you to everybody who came along to support the children on Wednesday, for our rescheduled School Sports Day. Whilst we were able to have a Sports Day last year, this was the first – for a number of years – where we have been able to invite family members to come along to watch.

A huge THANK YOU must go to Miss Stephens (our Subject Lead for PE), Mrs Burge (who helped to coordinate all of the events), Mr Ellis (who kept track of the scores throughout both the junior and infant events) and all of the teaching staff who helped to plan, organise and run the event.

Despite the weather, the children displayed a great attitude and showed a great competitive spirit – from the start of the day to the very end.

In a very closely contested event, the eventual winners were Mersey – and the children were presented with the large gold Sports Day Champions Trophy in our assembly this morning.

The final results were:

Mersey	301 points
Bridge	296 points
Castle	236 points
Priory	222 points

Everyone who tried their best and showed great determination to earn as many points for their house as possible, deserves a lot of recognition and praise.

This afternoon sees the final inter-house competition of the school year: as the Year 2 and Year 3 children compete in a Mini Olympics competition.

At the conclusion of this event, all of the scores amassed throughout the year – starting with the inter-house cricket competition before Christmas – and including the handball, dodgeball, netball, quicksticks (hockey) and tag rugby – as well as the mini-olympics events, will all be totalled and the winning house will be announced next week.

Halton Holiday Activity & Food Summer Programme

Please see the link below to a range of positive activities for children & young people age 4-11 years old in Halton this summer.

The activities are aimed at children and young people on free school meals or free school meals related benefits. There are also some places available for other vulnerable groups of children & young people e.g. SEND, young carers, looked after children.
